

Privacy Policy

These terms and conditions apply to TechGALA Japan (hereinafter referred to as the “Event”), which is operated by the Global Event Executive Committee (hereinafter referred to as the “Executive Committee”) consisting of the Chubu Economic Federation, Nagoya University, Aichi Prefecture, Nagoya City, and Hamamatsu City. This document sets forth the privacy policy of TechGALA Japan (hereinafter referred to as the “Event”), which is operated by the Global Event Executive Committee (hereinafter referred to as the “Executive Committee”) consisting of Chubu Economic Federation, Nagoya University, Aichi City, Nagoya City, and Hamamatsu City. This privacy policy sets forth the privacy policy of TechGALA Japan (hereinafter referred to as the “Event”), which is operated by the Global Event Executive Committee (hereinafter referred to as the “Executive Committee”) consisting of Hamamatsu City.

The Executive Committee has established the following privacy policy to appropriately handle the acquisition, use, and management of personal information in accordance with the “Act on the Protection of Personal Information (Act No. 57 of 2003)” and will make every effort to protect personal information.

<Collection of Personal Information>

The Executive Committee will collect personal information in an appropriate and fair manner (through the TechGALA Japan website (hereinafter referred to as “the Website”)). The Executive Committee will acquire the following personal information through proper and fair means (contact form and newsletter registration form on the TechGALA Japan website (hereinafter referred to as the “Website”)).

- Name of company/organization
- Business type
- Department name
- Position
- Name
- Phone number
- Date of birth
- Gender
- Nationality
- Address
- Email address

When acquiring personal information, we assume that the customer willingly provides the information (registration), and the acquired personal information will be used only within the scope of the stated purpose of use.

<Purpose of use of personal information>

To accept applications for participation in this event

- To respond to inquiries made to the Executive Committee
- For various communications and information from the secretariat regarding this event
- For PR activities (event PR, participating company PR)
- Providing information to sponsor companies and PR activities of sponsor companies, etc.

<Management of personal information>

The Executive Committee shall, to the extent necessary to achieve the purpose of use, keep customers' personal information accurate and up-to-date, and shall take necessary and appropriate measures for the safe management of personal information, including security measures such as encryption and access restrictions, to prevent leakage, loss, or damage of personal information, and shall maintain a management system. We will maintain a management system.

<Provision of Personal Information to Third Parties>

The Executive Committee will not handle personal information beyond the scope necessary to achieve the purpose of its use or provide personal information obtained to third parties, except as stipulated by law or with the prior consent of the customer.

<Disclosure to contractors>

The Executive Committee and the Secretariat may outsource the handling of all or part of the acquired personal information within the scope necessary to achieve the purpose of use. In such cases, the Executive Committee and the Secretariat will select a subcontractor that is deemed to handle personal information appropriately, and will make necessary arrangements in contracts and other agreements to prevent leakage of customers' personal information through appropriate management of personal information and maintenance of confidentiality, and will have the subcontractor implement appropriate management.

<Disclosure, correction, deletion, suspension of use, etc. of personal information>

The Executive Committee confirms that you have the right to request disclosure, correction, deletion, or cessation of use of your personal information, and if you wish to take these actions, we will respond promptly and in good faith after confirming your identity.

<Storage period of personal information>

The Executive Committee will securely delete personal information after an appropriate period of time has elapsed once the purpose for which the information is used has been achieved. However, information required to be retained by law will be retained in accordance with such law.

<Use of Cookies, etc.>

This website uses cookies and similar technologies to collect certain information for the purpose of improving convenience.

Cookies are small text files containing arbitrary information that are stored on your device and exchanged between the web server and your Internet browsing software when you access a web page.

If you have allowed the use of cookies in your browser settings, a cookie will be created by your browser and automatically sent to you when you access this website again. The access status will be used only as statistical information. Cookies do not contain any personally identifiable information.

If you do not want to allow cookies, you can disable the storage of cookies on your computer by configuring your browser.

<About Google Analytics>

This website uses Google Analytics, a service provided by Google, Inc.

Please refer to the Google Analytics website for an explanation of the Google Analytics Terms of Use, and to Google's website for an explanation of Google's privacy policy.

Google Analytics Terms of Service:
